

Manitoba Trail Riding Club

www.mbtrailridingclub.ca

If you enjoy trail riding down some beautiful scenic trails, meeting new people, a little competition and trying to improve your horse's fitness level then you should consider the Manitoba Trail Riding Club as a way to do that! Come and join us this year for our rides!

***Please note that we are having a "Newbie Clinic" on May 29th at Birds Hill Park for those who want to learn about this sport. It will be a perfect opportunity to learn how it works and get ready for the season!*
